3. What type of service do we offer?

We provide an advised service. This means that we will assess your needs and make a personal recommendation for each of the mortgage and / or insurance areas in which you have asked us to provide a service.

We act for you and not the insurer or the mortgage lender in connection with the services we provide.

4. Whose products do we offer?

Insurance

We offer products from a range of insurers for the following insurance products: *term assurance, family income benefit, non-investment whole of life assurance, critical illness insurance, income protection, private*

medical insurance, and insurance related products for properties and their contents. The range of insurers is based on a fair analysis of the relevant market.

We only offer products from One Family for over 50s life insurance.

Mortgages

We offer a comprehensive range of first charge mortgages from across the market, but not deals that you can only obtain by going direct to a lender.

We do not offer advice in relation to second charge mortgages **however we can make a referral to a suitable firm to discuss your needs.**

5. What will you have to pay us for our services?

Insurance

We will not charge you a fee for our services relating to insurance but we will receive commission from the product provider. The commission will be calculated as a proportion of the premiums paid for the insurance product.

You will receive a quotation which will tell you about the fees and charges relating to any particular insurance policy that we recommend.

Mortgages

For our mortgage advice services, we will charge a fee of between £199 and £899. As any products recommended will be tailored to client needs, of which some require more work than others, we are unable to charge a flat fee. A figure will be advised in advance of any work carried out for the fee to be agreed upon.

The fee is payable on application and is not refundable.

You will not receive a refund if your mortgage or loan does not go ahead.

We will also be paid a procuration fee from the lender. The amount of the procuration fee will be disclosed to you.

You have the right to ask us to provide information on the range of procuration fees that the lenders on our panels offer to us.

If an application is submitted to a lender via a packager we will be paid commission by the packager. This will be disclosed to you

6. Our services when giving advice for increasing borrowing on an existing property

If you are seeking advice for increasing the borrowing secured on a property which is subject to an existing mortgage, we will consider whether you should:

- take a further advance from your current lender
- take out a new mortgage with a different lender, or

We will not consider second charge loans or unsecured lending. In some circumstances, these options might be available and appropriate for you.

7. Borrowing into retirement

If you are aged over 55 and you are considering taking out a retirement interest-only mortgage, or any other interest-only mortgage which will run into your retirement, then a Lifetime Mortgage may be available and more appropriate for you. A Lifetime Mortgage is a type of loan which does not need to be repaid until you die, sell the property or go into long-term care and where the interest will usually be rolled up into the loan instead of being paid each month.

We do not offer advice on Lifetime Mortgages however we can introduce you to an appropriately qualified adviser if you wish to consider this option.

Any payment requested by third parties (including product providers, lenders and solicitors) should be paid directly to the third party. We are not authorised to hold client money (that is, money which is to be held or processed on your behalf, as defined by the FCA).
